To Whom It May Concern,

I am writing you today to say thank you for the sponsorship of trophies for the 2003 Trans Am Nationals.

My car was in class GG, 1993 to 2002 light modified. In this class you were allowed up to 5 modifications. Out of approximately 35 extremely nice cars, my car won 1st place. I found it fitting that my first place trophy had your company as the sponsor, since the only modification that I had was the black 30^{th anniversary} stripes that were purchased from Phoenix Graphix.

I have enclosed some photos of the vehicle for you. It is a 2002 Ram Air WS6 Trans Am, as you can see the black stripes really make the car stand out. If you would like additional photo's for your brochure feel free to contact me

I also have an 80 Indy Pace car Turbo Trans Am that I am restoring. I look forward to doing business with again on the stripes when the time comes.

Sincerely,

Rick K
